

Palestinian Prisoners Day

END ISRAEL'S USE OF...

Arbitrary Imprisonment

Threats and Intimidation

Child Detention

Torture

Medical Negligence

Cruel, Inhumane & Degrading Treatment

Administrative Detention

Indefinite Detention

According to anthropologist Basil Farraj (2024), "Israeli prison practices are designed not only to detain multitudes - an estimated 1 million Palestinians since 1948 - but to portray Palestinians as "dangerous" subjects worthy of punishment."

"Human rights organizations have shown that 1 in 5 Palestinians has been arrested and charged in Israeli military courts since the occupation of the West Bank and the Gaza Strip in 1967."
